

Chrysalis Version - 80"x80" Cutting Instructions

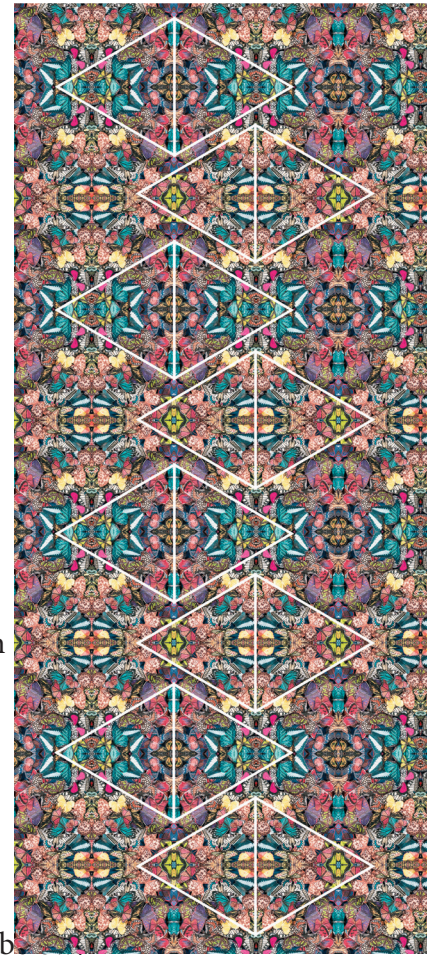

Yardage below for Chrysalis Version of Living Large Sunflower Pattern.

This beautiful Chrysalis version quilt is made using the Living Large Sunflower pattern instructions with a few different details. The Chrysalis center medallion is made up of just three blocks - the 61", 30" and 14" - with a fussy cut center (no rick rack was used in this quilt). This quilt is also embellished with appliqué butterflies and a beautiful butterfly border. All the fussy cutting instructions are found below. Enjoy!
